

HOW TO APPLY FOR A GRANT

The Tom Maynard Trust exists to help the development of aspiring disadvantaged cricketers and other sportspeople who require support with different aspects of their career development, including bursaries, help with training and education, financial support for overseas placements, assistance with kit and equipment and, either directly or in partnership with other agencies, providing support for raising awareness and rehabilitation programmes within sport.

APPLICATION PROCEDURE

The applicant should submit a written request for a grant using the Application for Grant form to:

Mike Fatkin
Company Secretary
The Tom Maynard Trust
67a Radnor Road
Canton
Cardiff
CF5 1RA

The application will need to cover the following key points:

- The amount being requested
- A statement of purpose
- A breakdown of how the funds will be used
- Why the grant is necessary
- Which individuals or organizations are supporting the application for funding

The application will then be reviewed by the Trustees of the Tom Maynard Trust. An acknowledgement will be issued and further information may be requested. A decision will then be made as to whether to make a grant and, if so, to what level.

For each grant the Trust will agree with the recipient (and/or his Referee) two or three key objectives and receive feedback from the recipient against those objectives to an agreed timescale.

The Trustees will review this feedback and assess the effectiveness of how the funds have met the Trust objectives, using that to ensure more effective application of future funds.
