the history of the european reformation is intimately bound up with the development of printing with the ability of the printed word to distribute new ideas theologies and philosophies widely and cheaply early modern society was quick to recognise the importance of being able to control what was published whilst much has been written on censorship within catholic lands much less scholarship is available on how protestant territories sought to control the flow of information in this ground breaking study allyson f creasman reassesses the reformation s spread by examining how censorship impacted upon public support for reform in the german cities drawing upon criminal court records trial manuscripts and contemporary journals mainly from the city of augsburg the study exposes the networks of rumour gossip cheap print and popular songs that spread the reformation message and shows how ordinary germans adapted these messages to their own purposes in analysing how print and oral culture intersected to fuel popular protest and frustrate official control the book highlights the limits of both the reformers s influence and the magistrates s authority the study concludes that german cities were forced to adapt their censorship policies to the political and social pressures within their communities in effect meaning that censorship was as much a product of public opinion as it was a force acting upon it as such this study furthers debates not only on the spread and control of information within early modern society but also with regards to where exactly within that society the impetus for reform was most strong

the heart of this book is the claim that the one church catholic comprises all who on the ground of christ s saving work are called and gathered by god the holy spirit into a fellowship whose only head is christ himself and that all thus called are granted the high privilege of sharing in a variety of ways in the one ministry of christ this is the vision of the reformed churches past and present alan sell argues that far from being a parochial enquiry the nature of the ministry and the work and education of all the ministers are issues as relevant to the life and practice of particular local churches as they are to ecumenical discussions between the several christian world communions

hartford puritanism argues for a new paradigm of new england puritanism one where hartford s founding ministers thomas hooker and samuel stone both fully embraced and even harshened calvin s double predestination
