the field of popular music production is overwhelmingly male dominated here paula wolfe discusses gendered notions of creativity and examines the significant under representation of women in studio production wolfe brings an invaluable perspective as both a working artist producer and as a scholar thereby offering a new body of research based on interviews and first hand observation wolfe demonstrates that patriarchal frameworks continue to form the backbone of the music industry establishment but that women s work in the creation and control of sound presents a potent challenge to gender stereotyping marginalisation and containment of women s achievements that is still in evidence in music marketing practices and media representation in the digital era

prekarisierung verelendung und armut sind zu den schlagwörtern der politischen debatte des frühen 21 jahrhunderts geworden während in den 1990er Jahren über die feminisierung von armut im globalen süden diskutiert wurde ist die armut zwischenzeitlich in den ländern des globalen nordens angekommen ziel des buches ist es diese komplexen wandlungsprozesse in den bereichen arbeit migration und sicherheit aus einer geschlechterperspektive zu untersuchen und dabei nach möglichkeiten der politischen teilhabe zu fragen

this text offers an up to date evidence based overview of a challenging disease which affects one in ten women and is often compounded by delayed diagnosis and significant impact on quality of life the international authors experts in their fields propose new paradigms that will demystify the disease expedite diagnosis and manage it to the highest professional standard the book will be of benefit to established practitioners and generalists in the field as well as those in training it is rich with illustrations and links to procedural videos

speaking to the need to move beyond traditional formulations this textbook presents radical visions for transforming civic education in the united states drawing on the experience of educators and scholars including those rooted in feminist queer abolitionist global and race conscious perspectives this work offers new practical ideas for civic education reform responding to recent political crises many scholars educators and public commentators have called for a rebirth of civic education but these all are grounded in the premise that the goal of civic education should be to teach students about the u s constitutional system and how to operate within it this book argues that the u s governmental system including the constitution is infused with racist and anti democratic premises and procedures it asks how can we seek a new path one that is more democratic more equitable and more humane a diverse range of leading civic educators who are willing not just to push the boundaries of civic education but to operate outside its assumptions altogether explore what future possibilities for civic education might look like and how these innovative ideas could be implemented in the classroom combining theory with practice the future of civic education will be important reading for those studying or researching in social studies methods social studies issues citizenship and civic education it will also be beneficial to social studies teachers at elementary and secondary levels as well as policymakers and non governmental organizations ngos

this book interrogates the legal and cultural dimensions of persona authorship particularly in the context of publicity rights and the growing regulatory response to generative artificial intelligence gen ai in an era of rapid technological advancement and evolving legal frameworks this book provides a groundbreaking analysis of the intersections between text authorship and vocabulary through an innovative application of the if value then right ivtr principle the book deconstructs the shifting foundations of authorship in western legal thought it examines the

persona as a cultural text unrecognized by copyright law the hybrid nature of publicity rights authorship and the influence of postmodern vocabulary on legal adjudication crucially it critically engages with the exclusion of gen ai from authorship highlighting how legal doctrine rather than objective artistic neutrality determines creative legitimacy bridging copyright and trademark law this book argues for a re evaluation of the balance between persona authorship and cultural control offering a compelling framework for understanding the future of intellectual property in the digital age it challenges conventional narratives and proposes new pathways for navigating authorship in a technologically mediated world the book will be of interest to anyone interested in the evolution of intellectual property law the intersection between law and culture and the impact of law and culture on the unique dilemmas posed by artificial intelligence

our creation and redemption by god and our discipleship to jesus are all one story and it is an odd story it is odd because the method god follows in all his actions toward us and which we imitate in discipleship to jesus is characterized not by triumph even paradoxical triumph or by assertion of a hero s individuality and strength but by weakness submission self enslavement and loss god has followed this method in creating a universe to stand alongside and even challenge god s existence god has also acted in this way in continuing to nurture the existence of the human rebels against god so god has also acted in the incarnation in that is the kenosis of christ his self emptying philippians 2 7 which provides us the sharpest delineation of the divine method and so god has acted for our redemption and our creation as a people conformed to jesus and giving testimony to the defeat by his kenosis of the powers that have enslaved humanity the one story fills out the progress of this one story of creation and redemption and speaks a challenge to how the church understands and lives out the victory by kenosis of jesus
